

Preliminary Consultation on connectivity and accessibility in Faygate Village.

Colgate Parish Council have been approached by Faygate residents to try and improve accessibility and connectivity along Faygate Lane.

Have your say.....do you suppose these alterations and would you want to see them progressed? The Parish Council want to hear from the Faygate residents to understand whether these proposals would enhance living in the village and help with accessibility and connectivity. Would this make you feel safer when trying to access the station, shop and the new garage, bus stops and Public Right of Ways? Tell us by writing to the Clerk – clerk @colgatefaygate.com- before 7th February. This will be discussed at the full council meeting on 8th February.
