6. Transport

Signage on A264-Agree and confirm with highways the following infrastructure.

During the course of the feasibility study and internal discussions, we have agreed to include an allocation of funds through the current Community Highway Scheme funding mechanism to provide some enhancement to the existing uncontrolled crossing point. This could include provision of additional road signs alerting motorists to the presence of pedestrians crossing the road, increasing visibility of the crossing point through the use of marker posts, high friction surfacing to assist motorists braking and making the crossing point more compliant with current standards. If your Council wishes us to continue with this project we will seek to secure the allocation for delivery in the 2020/21 financial year.

7. Kilnwood Vale Open Space
