Opening hours

Monday to Sunday – 09:00hrs to 23:00hrs

**RESOLVED** - to make the following comments:

Colgate Parish Council support the comments made by District Councillors, Cllr Butler and Cllr Hobgen. Colgate Parish Council considered the Licensing objectives regarding the Prevention of Crime and Disorder, Public Safety, the Prevention of Public Nuisance and the Protection of Children from Harm. Colgate Parish Council suggest that there are some concerns with regard to public safety in respect of access to the site. There is not adequate lighting for the access and the only access is through the underpass. In addition, this area is reported as having the highest crime rate for the division according to the sussex police map. A license of this manner

may exacerbate the crime rate. Lastly there are some concerns of public nuisance as there are homes in audible distance of the premises.
