DC/19/0219 - Demolition of existing gazebo and erection of new garden pavilion and garden steps.
South Wing Forest Grange Manor Forest Grange Horsham West Sussex

It is not clear what size the new structure is, however, Colgate Parish Council have no objection to the gazebo or new steps, so long as the construction is in keeping with the Grade 2 listed building.

DC/19/0095

Erection of a petrol filling station comprising 4no. pump islands, ancillary forecourt building, 36no. car parking spaces (incl. 2no. disabled spaces and 9no. staff parking, 7no. electrical vehicle charging points), an associated access, landscaping and planting Little Clovers Farm Crawley Road Faygate Horsham

Colgate Parish Council would like to see a reduction in the speed of traffic on the A264, in the vicinity the petrol station. We would also ask for confirmation that the bus stop will be retained. If this application is successful, Colgate Parish Council would like any CIL payment to contribute towards a much needed pedestrian crossing across the A264.

Colgate Parish Council may make additional comments when further details are received from the applicants.

The council decided there were no additional comments in regards to the appeal at Former Wealden Brickworks, Langhurstwood Road, Horsham APP/P3800/W/18/3218965 & WSCC/015/18/NH

The comments were e mailed to HDC.
